MEASURES FOR PREVENTION AND RISK CONTAINMENT OF CONTAGION FROM COVID-19

Admission test to the Master's Degree Course in Medicine and Surgery in English A.A. 2022/2023

CANDIDATES MUST:

- access the test area only one at a time;
- frequently **sanitize your hands** with the hydroalcoholic solution contained in the special dispensers at the entrance;
- equip and wear, from the moment of access to exit, **exclusively FFP2 filtering facepieces, provided by the staff**, which properly cover the airways (mouth and nose). In no case is the use of non-filtering facepieces and community devices in the possession of the same candidates allowed;
- **show up alone and without any type of baggage**, except for justified exceptional situations. In this case the candidates will use a bag or a container in which to place the baggage according to the instructions received from the staff;
- **do not consume food** (*unless proven by medical certifications*), except for the bottles of water provided by the staff;
- **submit a specific declaration**, pursuant to Presidential Decree 445/2000, to certify the circumstances listed below:
 1. not to have the following symptoms: temperature above 37.5°, flu-like, Covid-19-like/pneumonia-like symptoms;
 2. not to be currently under any isolation measure designed to contain the spread of COVID-19;
 3. not to have tested positive for the virus Covid-19 or to have tested positive and to have received a certificate of complete recovery;
 4. to be aware of the contagion containment measures.
