

## **Ripartizione Gestione Carriere e Servizi agli Studenti**

**Test for admission to the three-year degree course in Nursing**

**A.Y. 2020/2021**

**Venue of the test: Aula Magna**

**Complesso Santa Patrizia – Via Luciano Armanni n.5 – Napoli**

### **Notice**

#### **Indications for candidates**

With reference to the admission test indicated above, the indications and directives intended for candidates for the competition are highlighted below.

Candidates, as required by the test announcement, must present themselves at the aforementioned venue, for the necessary identification operations, on 08 September 2020, at 10.00, with a valid identification document, the receipt of the application for registration to the test and the original receipt of payment of the participation fee. It is advisable to reach the test venue by public transport.

At 11:30 the number of candidates present will be counted and the information and provisions relating to the test will be read and further candidates will no longer be allowed to enter the classroom, as required by the Guidelines for conducting the test admissions, prepared by the Ministry of University and Research (MIUR).

Before identification, the personnel assigned for this purpose will proceed to measure the body temperature of the candidates.

Candidates must also present themselves with their own mask and must complete, sign, exhibit before entering the test site and deliver, upon identification, a declaration made pursuant to Articles 46 and 47 of Presidential Decree 445/2000 about the state of health, according to the attached model prepared for this purpose by the Ministry of University and Research, as a preventive measure related to the SARS CoV 2.

In particular, with the aforementioned declaration, the candidate is required to certify:

- not to have respiratory symptoms or flu-like symptoms or fever above 37.5 ° C;
- that he is not currently in quarantine or in trustee home isolation and, to the best of his knowledge, that he is not positive for Covid-19 / Sars-Cov-2;
- not to have been in contact with positive people at Covid-19 / Sars-Cov-2, to the best of their knowledge, in the last 14 days.

In the event that there is a condition opposite to those above, the candidate will not be able to access the premises used for the test and will not be able to take the test.

It should also be noted that all candidates, members of the classroom commission, supervisory or support staff are required to wear their own surgical mask for the entire stay at the test site.

In this regard, it is emphasized that the national health emergency is still in force and the precautionary measures provided for by the Prime Minister's Decree of 7 August 2020 have been extended until 7 September.

Therefore, in order to contain the spread of the COVID-19 virus, it is mandatory throughout the national territory to use respiratory tract protection in indoor places accessible to the public, including means of transport and in any case on all occasions when not it is possible to continuously guarantee the maintenance of the safety distance. Children under the age of six are not subject to the obligation, as well as subjects with disabilities not compatible with the

continuous use of the mask or subjects who interact with the aforementioned. It is mandatory to maintain an interpersonal safety distance of at least one meter, subject to the exceptions already provided and validated by the Technical-Scientific Committee referred to in Article 2 of the ordinance of February 3, 2020, n. 630, of the Head of the Civil Protection Department.
